SG1A [REDACTED] has been involved in the transfer of drugs. The target is associated with a small group of people with a past of drug related activity. Among this group is a black haired, smart woman of shady character who has a relationship to a powerful man with dark short and curly hair. An illegal activity will be carried out before July which will involve smuggling from Mexico or South America. A red vehicle with a license plate associated with the term "Gear" and the letter "M" in reference to a name came to mind. In summary, a small group of people aboard a medium sized vessel near coastal waters will be engaging in the illegal transfer of contraband.
